MEMORANDUM FOR: Legislative Counsel

ATTENTION: Mr. Rodger S. Gabrielson

FROM: Robert W. Gambino
Director of Security

SUBJECT: House Select Committee
on Assassinations Request (U)

1. (U) Action Requested: None; for information only.

2. (U/AIUO) Background: Reference is made to your memorandum of 16 February 1978 (OLC 78-0588/1) which requested information on various individuals of interest to the House Select Committee on Assassinations (HSCA). Further reference is made to our previous response to your request dated 9 March 1978. At that time you were advised that this Office did not have sufficient identifying data to identify the documents requested by the HSCA in the second portion of their 14 February 1978 request. On 14 July 1978 Mr. Norbert Shepanek, DDO/PCS/LOC, provided information to the Office of Security which enabled us to identify items 1 and 2 in the second portion of the HSCA's request.

(U/AIUO) Forwarded with this memorandum are documents dated 30 October 1963 and 18 November 1963. These documents are memoranda forwarded to the Department of Justice by the Office of Security and contain the results of Agency traces on various individuals believed to be connected with organized crime and racketeering. The 18 November 1963 document has been sanitized in order to protect the identity of an official liaison service.

This is the letter Jackie called me about. She wants as priority consideration of # 5, 6, and 7. They must have retyped the letter adding the priority request, because when I talked with Jackie, she said it was not listed in the letter.
